The recent changes to **Apple Health (Medicaid) eligibility for adults** are significant. To help you prepare for your upcoming renewal, we've gathered key information, resources, and action steps below.

WHAT YOU SHOULD DO NOW

1 REVIEW THE FACT SHEET

The Washington Health Care Authority (HCA) provides information about:

- Work requirements established by H.R. 1
- Available exemptions **Fact Sheet →**
- Eligibility criteria **Fact Sheet →**
- Required verification documentation **Chart →**

HCA Renewal Resource →

2 GATHER YOUR DOCUMENTATION

Prepare any documents that may be needed to verify:

- Employment or work activities
- Income
- Household information
- Exemption status (if applicable)

Having documentation ready can help prevent delays during the renewal process.

3 UPDATE YOUR INFORMATION

Make sure your contact information, income, and household details are current in Washington Healthplanfinder and upload documentation.

IF YOU NO LONGER QUALIFY FOR APPLE HEALTH

If you no longer meet Apple Health eligibility requirements, don't wait until your coverage ends.

Schedule an appointment with our office to explore coverage options through the **Washington Health Benefit Exchange** and enroll in a **Qualified Health Plan (QHP)** that meets your healthcare needs.
